In addition there have been a couple of neighbour disputes and domestic related incidents which I cannot expand on.

A large number of crimes nearby on the A43 fall within the Parish of Tiffield and these have been removed from the figures as they involve theft of fuel or cargo.

Large number of traffic offences also on the A43.

78 incidents in total for the year 2018-2019. A lot of these are associated with the A43 and the Gateway School.
